Section G: General Notes

Chapter 14 (Government Procurement) does not apply to procurements in respect of financial services.

Section H: Threshold Values

1. The thresholds shall be adjusted in every even-numbered year with each adjustment taking effect on January 1, beginning on January 1 of the first even-numbered year after the date of entry into force of the Agreement.

2. Every two years, Chile shall calculate and publish the value of the thresholds under Chapter 14 (Government Procurement) expressed in Special Drawing Rights (SDR). These calculations shall be based on the average of the daily conversion rates of the Chile currency in terms of SDR, published by the International Monetary Fund in its monthly International Financial Statistics over the two-year period preceding October 1 or November 1 of the year before the adjusted thresholds are to take effect.

3. Chile shall notify the other Party of the current thresholds in its national currency immediately after the Agreement enters into force, and the adjusted thresholds in the Chile currency thereafter not later than one month before the thresholds take effect. Thresholds expressed in the respective national currency shall be fixed for a period of two years, i.e. calendar years.

4. Chile shall consult if a major change in the Chile currency relative to the SDR or to the national currency of the other Party were to create a significant problem with regard to the application of Chapter 14 (Government Procurement).
